Welcome to the October 2024 edition of the Chairmans Report.

Greens Lighting Update – Preliminary works have now been completed by our Contractor to facilitate installation of new lights when they are delivered in mid-November. It is hoped that the new lighting will, be operational by the start of December.

Awning Replacement Project – The Awning Project is in full swing with demolition of the old awning and existing concrete and brick paving now complete. Some issues have occurred necessitating relocation of some underground services however these have now been rectified and installation of new drainage system to accommodate extended awning is now being constructed. It is anticipated that the new Concrete Slab will be installed next week and at this stage the Project is on schedule for completion by early December. The Board again asks Members to be patient and understanding while these works are in progress and to report any concerns to the Clubs General Manager, Craig Allan.

Club Financials – Bar sales over the last three months have continued to track strongly with the Board working with the Clubs Manager to develop and implement new strategies to further improve our revenue streams.

Constitution and By-Laws are available for viewing on the Clubs Website in the “About Us” area. Just go to the Menu and select “About Us” from the drop-down box and then scroll down and select as required.

Bowls News:

Hello Bowlers,

Well, Pennant for 2024 is finally over and what a successful end to the season it proved to be!!

The club had 5 sides competing in the Preliminary Finals on Saturday morning at various locations across the Sunshine Coast. Four of these won their way through to the Grand Finals in the afternoon. A wonderful achievement considering most of them were playing in higher Divisions than last year.

Pelican Waters was the location for the greatest success story. Both our Men And Ladies Division 4 teams winning their flags. This is especially impressive as both teams have secured back to back promotions and flags.

The Men's side defeated Mooloolaba 6-1 in the morning to earn the right to take on Divisional winners Maroochy in the afternoon final. The 5-2 victory quietened the raucous Maroochy support. A special mention to Mark Walkers rink which had a massive 29-7 rink win to see the side home.

Not to be outdone, the Ladies also secured back to back promotions and flags. A comprehensive 6-0 win over Headland Pacific was followed by an equally impressive 54-36 win over Kawana. A standout 32-13 rink win from Jennifer Smith's team was enough to secure victory.

Meanwhile at Nambour, Division 1 Ladies had secured a comprehensive 52-28 victory over Mooloolaba in the morning to earn the right to play Kawan in the afternoon. Unfortunately, coming up against a side littered with State and National players, it proved to be a bridge too far. But enormous credit should go to the Ladies for reaching the final.

The Division 2 Men had an emphatic 7-0 win over Maroochy in the morning to move into the final against Coolum Beach. In a stop start game, due to the afternoon rain we were always chasing the opposition and eventually succumbed by 9 shots to finish runners up.

Division 8 Men made the long trek up the Mountain to Mapleton in the morning but came up against a very strong Yandina side who went on to be the overall Divisional winners.

With 2 Pennant flags and 5 sides making it through to the Finals, we should congratulate ourselves on another remarkable Pennant season. Congratulations to all the players who competed and thank you to the Selectors for their input and dedication throughout the season.
